

COMMUNITY R-VI NEEDS YOU!

Help us earn the opportunity to compete for a \$10,000 grant to expand the use of technology in the science classroom through the use of probeware.

We are asking all local farmers to nominate Community R-VI for the opportunity to compete for a \$10,000 grant through America's Farmers Grow Rural EducationSM.

If you are 21 years or older and actively engaged in farming, please visit GrowRuralEducation.com for more information on your eligibility to vote.

Visit GrowRuralEducation.com for more information. If you are an eligible farmer and would like to nominate Community R-VI today, you can do so at GrowRuralEducation.com or by calling **1-877-267-3332**. The nomination period runs through April 15, 2012.

Thank you for your continued support,

Melanie Utterback
Community R-VI MS/HS Science, Physics First, and Biology Teacher
