

SECTION 504 PUBLIC NOTICE

School districts that receive federal financial assistance have the affirmative responsibility to annually undertake to locate and identify all students with disabilities located in the District's jurisdiction; and take appropriate steps to notify disabled persons and their parents or guardians of the District's duty.

The school districts listed below assure they will provide a free appropriate public education (FAPE) to each qualified disabled person in the Districts' jurisdiction regardless of the nature or severity of the person's disability. For purposes of Section 504 of the Rehabilitation Act of 1973, the provision of an appropriate education is the provision of regular or special and related aids and services that (i) are designed to meet individual educational needs of disabled persons as adequately as the needs of nondisabled persons are met and (ii) are based on adherence to procedures that satisfy the requirements of the 504 federal regulations.

The school districts listed below have developed a 504 Procedures Manual for the implementation of federal regulations for Section 504 of the Rehabilitation Act, Subpart D. This Procedures Manual may be reviewed at the districts' Special Services Office/Central Office between the hours of 8:30 am and 2:30 pm when school is in session.

This notice will be provided in native languages as appropriate.
